# The event

Doncaster and Bassetlaw Teaching Hospitals NHS Foundation Trust (DBTH) is one of Yorkshire's leading acute trusts, serving a population of more than 420,000 across South Yorkshire, North Nottinghamshire and the surrounding areas.

Employing over 6,000 members of staff in clinical, medical and corporate roles, providing the best quality care is our driving ambition as a Trust. The event is a chance to come together, showcase exciting and innovative examples of care, as well experiences and examples of best practice.

This is your opportunity to celebrate the best and brightest aspects of DBTH, exploring what sets us apart from the rest and discovering why 'We Care'.
