**Remote Access to Resources**

Register for NHS Athens or update your NHS Athens account. This will provide you with access to a huge collection of e-resources: e-journals and e-books, a selection of clinical and health information databases and much more. These resources will be available to you 24 hours a day at work, at home or on the move.

You can self-register or update your account via the NICE Evidence portal at: [https://openathens.nice.org.uk/](https://openathens.nice.org.uk/) or ask Library Staff for details. For enquiries or assistance in registering for an Athens account, please contact your Trust Athens Administrator at: rdash.groundedresearch@nhs.net

**Help and Support**

**Enquiry and Reference Service**

Any member of the library team will be happy to help you with your general or reference enquiry. Contact us in person, by telephone or e-mail—see front cover for details.

**Inter-library loans and requests**

If you can’t find the book or journal article you need, either in the library, or online, we can usually obtain it for you from another library [subject to availability]. You will need to complete and sign a request form for each item you require. These can then be returned to the library in person, by post or e-mail. For document supply items, where we are permitted, these will be e-mailed to you on receipt. All other document supply items will be posted out to you.

**E-resource Training and Literature Search Service**

For enquiries about e-resource training or literature searching, please contact library staff.
