Why DynaMed?

Ensures Confidence in Practice:

Our content is created using a rigorous **evidence-based methodology**, **robust systematic literature surveillance**, and **clinical expertise** that complements and clarifies the evidence, plus links to NICE Guidelines.

Saves Time:

Key takeaways, targeted synopses, and **clearly defined recommendations** maximize efficiency, **reducing time-to answer** with information that is quickly accessible and actionable.

Creates an Individual Experience:

Your free **personal user account** provides time-based tracking to aid CPD, allowing DynaMed to remember user preferences, providing the information you need quickly, across all devices.

Provides Anytime, Anywhere Access:

DynaMed is fully integrated into your workflow with features including EHR integration, a **FREE, convenient mobile app** and single sign-on capabilities using your **FREE Open Athens NHS Library account**.
