

# BMJ Best Practice

## Getting started guide

### Follow these steps to get started.

Access to BMJ Best Practice is provided by Health Education England to all NHS staff in England through OpenAthens.

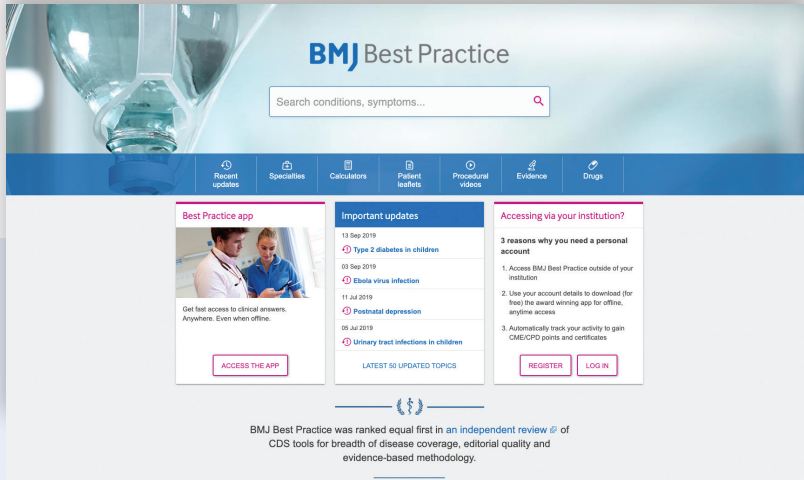

1. Visit [bestpractice.bmj.com](https://bestpractice.bmj.com) and click '**Log in**'.
2. Select the '**Access through your institution**' button.
3. Search for '**NHS in England**'.
4. Sign in with your **OpenAthens username and password**.
5. **Now create your personal account.** This will allow you to sign in directly using these details. Your personal account also allows you to log in to the app and to track your CPD/CME activity and download certificates.

To register for an OpenAthens account, go to [openathens.nice.org.uk](https://openathens.nice.org.uk) or contact your local NHS library and knowledge service through [www.hlistd.org](https://www.hlistd.org).

### Need help?

If you have any questions, please do not hesitate to contact our support team at [support@bmj.com](mailto:support@bmj.com) or +44 (0) 20 7111 1105.

Download the BMJ Best Practice app

Search for 'BMJ Best Practice', click download and enter your **personal account** details to log in.

Our app works offline, so you can access clinical content wherever and whenever you like!
