# Library Services

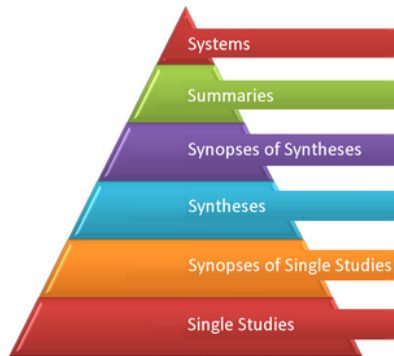

## Accessing Services

The Knowledge, Library & Information Service can help support you with your research project, clinical audit, dissertation or your studies in general.

To register for access, complete the registration form available in the Library or via the Intranet or web pages and submit to staff with your ID.

## Evidence Searching Service

If you are looking for the latest guidelines, for the “gold standard” to audit against, or need evidence to support research, treatment, protocols, care pathways, patient care, commissioning or any service development then we can save you valuable time. Contact us and we will undertake the search for you.

6S model of hierarchy of evidence

## Evidence Search Training

If you are searching for literature yourself, library staff can help you with essential information skills training; planning your search strategy, accessing resources, citation searching and more. Get in touch to arrange a session.

# Current Awareness

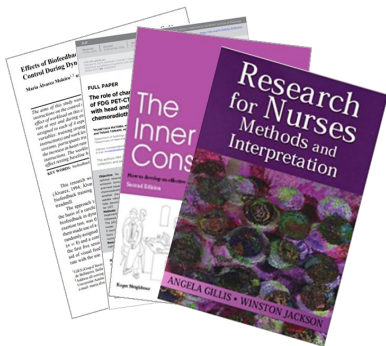

## Browzine

This is an app for PC, tablets and smartphones to browse all of the journals available via NHS Athens. Link straight to the full text of articles if available, get updates when new issues are published and build your own bookcase of journals you want to keep up to date with.

Available at [browzine.com/libraries/1656/subjects](http://browzine.com/libraries/1656/subjects)

## Keeping up to date

We know that you are busy people, so we offer a wide range of current awareness services & alerts to help keep you up to date—see our website for the topics covered. These can be e-mailed out to you or are available on our website. To sign up for these services please speak to a member of staff, visit our website or contact [dbth.dri.library@nhs.net](mailto:dbth.dri.library@nhs.net) for more details.

## Books and Journals

The Knowledge , Library & Information Service has a wealth of books & e-books available to support you in your research and investigations. Check out our library catalogue at <http://dbth.nhslibraries.com> We can also obtain articles of interest for you to review through our document delivery service—ask library staff for details.

# Help and Support

## E-Resource Training

We offer a wide variety of individual and group training sessions, delivered at a pace and venue to suit you, on a one-to-one basis or in groups, including:

- NICE Evidence: an overview
- Accessing e-journals and full-text articles
- Searching Healthcare databases
- E-resources, e.g. Cochrane Library and DynaMed Plus

For Literature Searching or Training please contact:

Sarah Gardner, Tel: 01909 572950, ext. 572950

## NHS OpenAthens

You should register for an NHS OpenAthens account if you have not already done so. This provides access to a large collection of e-resources: e-books and journals, a selection of clinical and health information databases and much more. These resources will be available to you 24 hours a day at work, at home or on the move.

You can self-register or update your account details via the  
NICE Evidence portal at:

<http://openathens.nice.org.uk/>

Or ask library staff for assistance.
