Re: Your request made under the Freedom of Information Act 2000

I am the current honorary secretary for the Yorkshire RJDC for the BMA. We are planning a campaign to promote awareness of/completion of exception reports by Junior Doctors, and would like to analyse some baseline data. If possible, we would like to see data on exception reports received at each trust, stratified by speciality or grade as available.

Would you be able to send recent exception report data from the your Trust, preferably the most recent quarterly report?

The information below is from the last Guardian quarterly report.

2019	No. exceptions raised	No. exceptions outstanding	No. exceptions resolved	No. exceptions unresolved
October	10	2	7	1
November	16	2	12	2
December	4	1	3	0
