- 2) If no, did you offer the NIPT within the trust, but only if the patient was willing to pay?

No

- 3) How much was that NIPT?

N/A

- 4) If no to all of the above did you mention NIPT as an option but that it was only available outside the Trust, i.e. by private providers not connected with the Trust?

I would be grateful if you would supply the information as soon as possible. If you are able to supply some of this information more quickly than other items, please supply each item as soon as it is available.
