Re: Your request made under the Freedom of Information Act 2000

I'd like to submit a request under the Freedom of Information Act. Please tell me how long women in your area wait for a referral to a consultant for endometriosis in calendar days in each calendar or financial year (depending on how you collect the data) for the last 10 years.

We can't answer this question, as we don't have any specific clinics for endometriosis, and so there is no possible way to identify these patients without a full audit. The service has said that the current wait time is five weeks, but we can't give estimates for each of the last ten years.
