## Re: Your request made under the Freedom of Information Act 2000

---

Under the Freedom of Information Act 2000 may I kindly request the following information about your IT Infrastructure Information. The information needed is as follows:

- 1) What SEIM (Security Event and Incident Management) solution is used by your organisation?

**We are not prepared to disclose this level of information, as it is exempt from answering under s.31 (1) (a) of the Freedom of Information Act (FOIA). The publication of this information would, or would be likely to prejudice the prevention or detection of crime. In this context, could potentially expose the Trusts security measures.**

- 2) When does your SEIM platform license subscription come up for renewal?

**See question 1**

- 3) If the SEIM (Security Event and Incident Management) solution was purchased via third party please disclose the contracting party's details?

**See question 1**

- 4) Do you outsource your security management to a third party (managed security service provider)? If so can you disclose the name of the managed security service provider.

**See question 1**

- 5) When does the current service contract from the current managed security service provider end?

**See question 1**

- 6) Can you provide the email address of the individual that is responsible for your IT Security?

[d.linacre@nhs.net](mailto:d.linacre@nhs.net)

- 7) How many cyber security breaches has your organisation had over the past 2 yrs?

**None**
