Re: Your request made under the Freedom of Information Act 2000

I would like to know how many patients in your hospital, since February 2020 to present, have died from covid 19, and only covid 19, without any other conditions being a factor in their death.

We are unable to answer this request within the s.12 timescale of the FOIA 2000, as it would require the Trust to perform a manual audit of individual patient records.

More information on COVID-19 related deaths is accessible, here:

And via our weekly updates (every Friday) on our website, here: <https://www.dbth.nhs.uk/news/>
