

Re: Your request made under the Freedom of Information Act 2000

Tor Management Services is a small consultancy that specialises in Parking Management Solutions and Electric Vehicle Charging Strategy development. Due to the recent acceleration to 2030 of the date from which the sale of petrol and diesel vehicles will be banned, and the increased emphasis on electric vehicles and the necessary infrastructure, we are looking to assist public sector organisations such as yours in providing the specialist knowledge and consultancy needed to define Green Transport Strategies and Policies that will support you in contributing to the government's Zero Carbon Agenda.

I am writing to you make an open government FOI request as per the Freedom of Information Act 2000, with a view to assessing if your Trust already has Green/EV Strategy and Policies in place to support the government's Zero Carbon agenda and future demand for EV Charging capacity.

I will be grateful if you can provide the following information:
