Re: Your request made under the Freedom of Information Act 2000

Please could you tell me how many patients at Bassetlaw Hospital have died solely from Covid19, with no underlying co morbidities between March 2020 to April 2021.

We are unable to answer this request within the s.12 timescale of the FOIA 2000, as it would require the Trust to perform a manual audit of individual patient records.

More information on COVID-19 related deaths is accessible, here:
