## Re: Your request made under the Freedom of Information Act 2000

---

I am submitting a request for information held by the trust under the Freedom of Information Act.

Since January 30 2020 to today's date, have you commissioned or received a Royal College invited review? Please give details of date commissioned/received, the royal college involved and the service under review.

No

Where you have received a report, please attach it along with any action plan you have developed.

We would draw your attention to the framework drawn up by the Academy of Medical Royal Colleges under which invited reviews are carried out.

Page 21 of this stresses the need for openness and transparency when an invited review is in response to concerns about the quality of patient care.

Please detail how you have complied with this eg by pointing us to the required summary in your board papers or on your website.
