Re: Your request made under the Freedom of Information Act 2000

Dear Doncaster and Bassetlaw Teaching Hospitals NHS Foundation Trust,

How many people have died in your hospitals from Covid 19 alone? To be clear they have died from Covid 19 only, and were not suffering from any underlying conditions at the time of their death.

Please could you provide the exact figures of people who have died from only Covid 19 and nothing else, in the period below.

1st February 2020 to 12th April 2021

We are unable to answer this request within the s.12 timescale of the FOIA 2000, as it would require the Trust to perform a manual audit of individual patient records.
