Re: Your request made under the Freedom of Information Act 2000

Dear Sir / Madam

Lundatec is a newly formed international company working in partnership with a well-established medical device manufacturer based in China. Our design and manufacturing partners have over 30 years' experience in the Medical Devices Industry and our aim is to become the partner of choice in the UK, offering high quality products and significant cost savings to the NHS. Our current focus is on Chronic Renal products and we seek assistance in understanding current market trends. We would therefore appreciate your answers to the below questions. **N/A**

- 1) What type of Dialysis machines do you currently have? (if split fleet how many of each type) **Fresenius 5008 x 9, 5008S x 21.**
