Re: Your request made under the Freedom of Information Act 2000

Dear Doncaster and Bassetlaw Teaching Hospitals NHS Foundation Trust,

Can you please send information re -how many deaths from suicide during covid. So this will be from March 23rd 2020.

Yours faithfully,

Kate
Cameron

As a Trust we do not code cause of death as 'suicide' but instead by the injury or illness – what information we do hold does not differentiate between an attempted suicide and an actual suicide. This information therefore would require a manual audit process and would therefore exceed the limit of this request. This information may be accessible via the police or Local Authority.
