## Re: Your request made under the Freedom of Information Act 2000

---

I would like to please request the following information with regards to notifiable diseases:

Can you please provide the incidence of *Klebsiella pneumoniae* carbapenemase (KPC) in your locality over the previous 12 months?

- We identified one case between 01/04/21 to 28/10/21

What are the incidences of other Carbapenemases over the last 12 months for comparison?

- About 12 cases of carbapenemase producing *Pseudomonas aeruginosa*

Thank you for taking the time to provide this information and I look forward to your response.

Yours faithfully,

Oliver Caswell
