Re: Your request made under the Freedom of Information Act 2000

Please can you provide, under the Freedom of Information Act, a full organisational structure chart for the Doncaster and Bassetlaw Teaching Hospitals NHS Foundation Trust inclusive of all 'Clinical Directors'. Can I please request their full job titles and the names of the individuals who hold these positions.

A copy of the full list is available on our trust website at <https://www.dbth.nhs.uk/structure-charts/>

Please can you also confirm the named Trust 'NHS Pensions Officer', and appropriate contact details.
