Re: Your request made under the Freedom of Information Act 2000

How many psychiatric support discharges have been delayed because of obstructions in the discharge pathway in each of the last five years up to the date of this request?

Can the delays be broken down as follows: more than one month, more than six, more than 12 months, 3+ years.

If it is not possible to provide the information requested due to the information exceeding the cost of compliance limits identified in Section 12, please provide advice and assistance, under the Section 16 obligations of the Act, as to how I can refine my request.

We currently don't have a process within the Trust to capture these particular delays related to psychaitry.
