

Re: Your request made under the Freedom of Information Act 2000

By way of introduction, my name is Graeme Fell and I am a graduate student at Katholieke Universiteit Leuven in Leuven, Belgium. I am reaching out in order to make a request for information under the Freedom of Information act.

I am requesting the following information:

- * A list of any general practitioner (GP) practices subcontracted to or effectively run by Doncaster and Bassetlaw Teaching Hospitals NHS Foundation Trust or a hospital in a vertical integration structure, including through open tender APMS contacts.
- * The date each GP practice operation was acquired or subcontracted to the trust/hospital
- * What, if any, amount of money was paid as a part of the subcontracting of each GP practice

We do not subcontract GP Practices or have any Practices that are run by DBTH
