

**Re: Your request made under the Freedom of Information Act 2000**

- Please confirm the name, position and contact details (telephone number and email address) of the person responsible for arranging and administering the Authority's insurances.
- Which classes of commercial insurance do the Authority currently procure (in addition to NHS Resolution risk pooling schemes)? When are these policies due for renewal?
- How much does the Authority spend annually on its insurance premium?
- Please confirm the name of the Authority's current insurance broker/advisor (if applicable).
- When was the contract for insurance broking services last reviewed/tendered?
- When will the current contract for insurance brokerage services expire? Is this subject to a potential extension?

At present, DBTH only has insurance through the NHS Resolution risk pooling schemes and does not have any commercial insurance. As such, we are not in a position to answer any of these questions. However, if we have misunderstood the FOI request, please let us know.
