

Re: Your request made under the Freedom of Information Act 2000

In the period 1st January 2018 - the present (2nd May 2022), how many non-disclosure agreements (NDAs)/agreements with 'confidentiality clauses' has this trust signed with staff or contractors relating to complaints and/or settlements regarding:

-
-
- sexual harassment 1
-
-
-
- assault
-
-
- Discrimination 2
-
-
-
- whistleblowing/public interest disclosure 1
-
-
- any other not included above 2
-
-

Please note that none of the above were Non-Disclosure Agreements. These were agreements that included a confidentiality clause, unless where there is a specific or statutory requirement to disclose.
