Re: Your request made under the Freedom of Information Act 2000

Many thanks for the response you provided to my FOI request. I'm just writing hoping to seek clarification on one of the answers if possible, please see below.

- Question 5: What is your patient capacity and current percentage utilisation by dialysis modality.

The answer to the question provided indicated that there is no fixed capacity for either home haemodialysis or peritoneal dialysis, given this – **I was wondering whether you would be able to provide the number of current patients instead?**

Current numbers are:

Peritoneal dialysis 11
