Re: Your request made under the Freedom of Information Act 2000

- Please provide me a list of menopause clinics that the trust operates, including the address and postcode of the clinic.
 - What is the mean waiting time between referral and appointment at a menopause clinic within the trust area?
 - How many people are currently on the waiting list for a menopause clinic?
 - How many referrals have there been to menopause clinics each year since 2018? Please split the data by calendar year
-
- DBTH does not run separate menopause clinics, but women who are referred for reasons related to the menopause will be seen in General Gynaecology clinics.
 - There is no separate waiting list or waiting time for women referred due to the menopause.
