Re: Your request made under the Freedom of Information Act 2000

Public Facing NHS Trust Website

1. What CMS/software and version does your public facing NHS Trust website use? (e.g. In-house, Sharepoint, Jadu, Drupal 7) **Wordpress**
2. Is your public facing NHS Trust website hosted and supported by a third party IT partner or on-premise? If a third party, when does your current contract expire? **Third-party, and the contract runs year-on-year.**
3. When was your public facing NHS Trust website launched? **2018**
4. What are your separate budgets for hosting/supporting and development for your public facing NHS Trust website? **N/A**
5. Which team/department/individual is responsible for maintaining your public facing NHS Trust website? **Communications and Engagement**

Digital Accessibility

6. When was your public facing NHS Trust website last audited for accessibility compliance? **The website was developed in line with NHS accessibility standards and is regularly updated and reviewed.**
7. Which team/department/individual is responsible for maintaining accessibility compliance across your public facing websites? **Communications and Engagement**

Website Content

8. Do you work with external marketing/communications suppliers to create content for your public facing services? **No**
9. When was the last time you conducted a content audit on your website to remove outdated content? **The site has tools to remove dead links as well as archiving for items of a certain age, in addition to regularly updates and reviews of content overseen by the Communications and Engagement on behalf of services within the Trust.**
