**Re: Your request made under the Freedom of Information Act 2000**

- Does the hospital have a Point of Care committee ?  
Not specifically, POCT reports to each divisional clinical governance group regarding the divisions performance and anything Trust-wide.  
An annual report is given to the DBTH Patient safety committee.
- Can you please confirm who makes up the committee and their positions in the hospital ? n/a
- Can you please provide email addresses for members of the point of care committee ? n/a
