JANUARY 2023

## Re: Your request made under the Freedom of Information Act 2000

Hope you are well. Please can I be provided with the figures for the number of people without a fixed abode who have been discharged from hospitals within your trust in the year 2022.

Please can you provide this data in the following way.

- By annual year for 2022.
- Please can you provide one figure, taking in the total discharges from your NHS trust.
- Please can I also be provided with the figures for the number of people without a fixed abode who were readmitted within six months.

Can you please provide this data in the same way as above.

Please see our response below

Calendar Year	Total Discharged with NFA recorded
---------------	------------------------------------

2022	48
------	----

It should be noted that having "No Fixed Abode" does not necessarily mean a patient doesn't have any accommodation to go to.

We are unable to provide figures on readmissions within six months as this would require examining each record individually to see if admission was for a condition related to the previous admission.
