## Re: Your request made under the Freedom of Information Act 2000

- 1) Do you have on-premise Microsoft Exchange? **No** If yes:
  - a. Which version? **Not applicable**
  - b. Do you have public folders? **Not applicable**
  - c. Do you manage the infrastructure yourselves? If not, who is your partner? **Not applicable**
- 2) Do you have a 3rd party email archive solution such as Enterprise Vault, EMC Source One or Quest Archive Manager? **Yes (from a previous on-premises eMail system)**
  - a. If yes, which one? **Enterprise Vault (but in the process of being decommissioned)**
- 3) Do you have PST files? **Yes**
- 4) If you have not already, are you planning to migrate to Office 365? **Already migrated**
- 5) Which person is responsible for your email infrastructure? **David Linacre, Head of Digital Operations and Cyber Security**
