Re: Your request made under the Freedom of Information Act 2000

Please could I request the following information:

- When does the current Stoma Care Sponsorship expire or go up for tender for Doncaster Hospital?
- What is the value of your Sponsorship? (or the value that was last paid)

- We do have a service level agreement nurse who is employed by South Yorkshire Ostomy supplies (DAC) however as it is an SLA she is paid for directly from the company, the Trust benefits from a band 6 CNS . This has been a rolling contract from July 2013 and has no end date .
