Re: Your request made under the Freedom of Information Act 2000

I would like to make the following Freedom of Information request. I would like to know how many emergency scrotal explorations (a surgical procedure) have been done at your trust in a 12 month period e.g. 1st June 2022 to 31st May 2023. I would be most grateful if you could break this down by hospital site (if applicable). This information can usually be easily obtained through procedural coding data. Codes used for this procedure are N03.4, N13.2 or N13.3.
