

I am making a freedom of information request for the following:

- Whether the trust's maternity department offered remifentanyl as a pain relief option during labour in 2022-23
- **No we do not offer this option**
  - o If the trust did offer remifentanyl as a pain relief option during labour in 2022-23, if at any point this was not available and, if so and if possible to calculate, approximately how many days this was not available as an option for
- Whether the trust's maternity department offered Entonox as a pain relief option during labour in 2022-23
- **Yes**
  - o If the trust did offer Entonox as a pain relief option during labour in 2022-23, if at any point this was not available and, if so and if possible to calculate, approximately how many days this was not available as an option for **None**
- Whether the trust's maternity department offered sterile water injections as a pain relief option during labour in 2022-23
- **Not offered – no one trained**
  - o If the trust did offer sterile water injections as a pain relief option during labour in 2022-23, if at any point this was not available and, if so and if possible to calculate, approximately how many days this was not available as an option for
