

Re: Your request made under the Freedom of Information Act 2000

1. 1. Request Details:

- . Please provide information on the Learning and Development (L&D) budgets within your NHS Trust, specifically focusing on the allocation of funds to different departments.

[This is commercially sensitive information](#)

- . I kindly request details regarding the L&D budget accessible to middle managers, including the process or criteria for their eligibility.

[This is commercially sensitive information](#)

- . Additionally, I am interested in understanding how your Trust determines which L&D programs or initiatives to invest in.

[At DBTH we have a Training Framework to support with this process.](#)

- . Information on central training budget allocation broken down by workforce, e.g., medical, nursing, allied health professional, admin, and management.

[This is commercially sensitive information](#)

2. 2. Timeframe:

- . Please provide information covering the most recent financial year or the period for which the data is readily available. If possible, specify the dates or financial year that the information encompasses.
