Re: Your request made under the Freedom of Information Act 2000

Number of spill kits (bodily fluids only) ordered in 2022.

This doesn't have to be by product name, but if the number of different kits ordered could be elicited, that would help myself and the IPC team greatly.

26 kits ordered from GV health via NHS supply chain:

Spill kit Cytotoxic Single Use Pack - 50G Sachet Cyto Absorb Gran-Scoop/Scraper 1 Surface Wipe-Cyto Disposable Bag-
10G Cytali Powder Sachet-Paper Towel inti-Splash Face Mask-Protect Apron -Pair Nitrile Protect Gloves -250ML Dilute
Illustrated Instructions

5 kits ordered direct Cairn technology One of those is a cytotoxic drug spill kit and a chemical base station kit
