Re: Your request made under the Freedom of Information Act 2000

I would like to make a Freedom of Information Request as Follows

NICE recommends NHS collects real-world evidence on devices that monitor people with Parkinson's disease. <https://www.nice.org.uk/news/nice-conditionally-recommends-five-promising-technologies-for-people-wi...>

Has your Trust purchased any of the following devices reviewed by NICE between the 1st of January 2020 and the 31st of August 2023.

- The Personal KinetiGraph (PKG) Movement Recording System (Global Kinetics Corporation)
- STAT-ON (Sense4care)
- Kinesia 360 (Great Lakes Neurotechnologies)
- KinesiaU (Great Lakes Neurotechnologies)
- PDMonitor (PD Neurotechnology)

I am not seeking quantities or prices simply a yes or no for each product.

Has your Trust received any of the above devices reviewed by NICE between the 1st of January 2020 and the 31st of August 2023 without your Trust being required to pay.

I am not seeking quantities or prices simply a yes or no for each product.
