Re: Your request made under the Freedom of Information Act 2000

I would be very grateful if you could please answer these questions in relation to cancer treatment.

1) Over the last 6 months, how many patients were treated with a combination of Dabrafenib + Trametinib for the following diseases:

- A) Metastatic Melanoma
- B) Adjuvant Melanoma
- C) BRAF mutated Lung Cancer

2) Over the last 6 months, how many patients were treated with a combination of Encorafenib (Braftovi) + Binimetnib (Mektovi) for the following diseases:

- A) Metastatic Melanoma
- B) Colorectal Cancer
- C) Any other indications

Our pharmacy system doesn't store diagnosis data, so we're unable to determine this against the prescribed treatment. To ascertain this data, the Trust would need to perform an audit of each individual patient record, which wouldn't be achievable within the s.12 timescale of the Freedom of Information Act 2000.
