Re: Your request made under the Freedom of Information Act 2000

Can I request the number of patient safety incidents that resulted in a severe or death degree of harm to the patients (as defined by NHS England [here](#)) and what month and year they took place from 2010 to present please.

Can I also have these as two separate figures - one for severe and one for death - and a figure of how many deaths there were in total as an incident can refer to more than one death.

Patient safety incidents that resulted in a severe = 429. Patient safety incidents that resulted in a death = 252. All reported as single affected person.
