## Re: Your request made under the Freedom of Information Act 2000

I would like to submit a Freedom of Information Request regarding Doncaster's drive through Phlebotomy Service, which is based at the Eco Power Stadium, Lakeside.

Would it be possible for a member of your team to provide us with information pertaining to the costs associated with the marquee when it was in use as part of the drive through service. I would like to know how much it cost to buy, maintain and replace the marquee and, if possible, what were the time frames involved.

<b>Description</b>	<b>Total</b>
Cost to Hire	£41,418 (inc VAT)
Time Frame	The marquees relating to Doncaster's drive through Phlebotomy Service at Lakeside were hired between 27/09/2020 - 27/11/2023

The marquees were not bought, they were hired so no cost to buy or maintain/replace. Please see above cost to hire and when it was in operation.
