JANUARY 2024

Re: Your request made under the Freedom of Information Act 2000

Please confirm the amount of total hours utilised by the Trust for Thornbury Nursing Services on a month by month basis for every month from January 2023 to December 2024.

Jan 2023 – 30 hours

No further usage.

I would like to add that this is not commercially sensitive information- as it is not asking for any confirmation of charge rates or any other financial data.

This is for safety purposes as I would like to establish the amount of usage an off contract supplier has at the Trust that is not regulated by any regional or national framework agreement. As this information is in the public interest and in the public domain I would expect a response within the 20 day allotted time frame.
