Re: Your request made under the Freedom of Information Act 2000

Could I submit an FOI requesting the follow from 2018 to present please -

The number of NHS staff (across registered professionals and non-registered professionals) who have faced misconduct or gross misconduct over the following examples:

- abusive or violent behaviour towards another employee, member of public or patient = 5
- ill-treatment or mishandling of patients = *
- harming patients = see above
- sexual abuse or assault = 0
- professional misconduct = *
- abuse of position or power = 0
- falsifying records = *

We have retrieved this information from a system that was active until 2022 and then the system that we use now which was implemented during 2022.

- **Any data marked as * represents a number lower than five and has been redacted to protect identity.**
