Re: Your request made under the Freedom of Information Act 2000

Under the Freedom of Information Act 2000, please can you provide me with information on medical equipment at your Trust.

The number of procedures that were cancelled by your NHS Trust due to issues with defective diagnostic equipment in each of the calendar years a) 2019, b) 2020, c) 2021, d) 2022, e) 2023

If it is not possible to provide the information requested due to the information exceeding the cost of compliance limits identified in Section 12, please provide advice and assistance, under the Section 16 obligations of the Act, as to how I can refine my request.

We dont have the reason a procedure was cancelled so wouldnt be able to answer this FOI.
