Re: Your request made under the Freedom of Information Act 2000

Dear Doncaster and Bassetlaw Teaching Hospitals NHS Foundation Trust,

Please consider this a Freedom of Information request. This is a part of a research project looking at NHS trusts for ADHD and ASD

1) Does your trust deal with any of the following: (A yes/no is sufficient)

- a) Adult ADHD diagnosis **No**
- b) Child and/or Adolescent ADHD diagnosis - **No for DRI – Yes for BDGH**
- c) Adult Autism Spectrum Disorder diagnosis **No**
- d) Child and/or Adolescent Autism Spectrum Disorder diagnosis - **Yes for both sites**

If Doncaster and Bassetlaw Teaching Hospitals NHS Foundation Trust does deal with any of these diagnosis pathways, for all that apply, please provide:

i) average wait-time from referral to first appointment

- **ASD Doncaster Over 5's 2 years 8 months**
- **ASD Doncaster Under 5's 18 months**
- **ASD Bassetlaw all 21 months**
- **ADHD Bassetlaw 21 months**

ii) average wait-time from referral to decision on diagnosis/discharge from diagnostic service

- **As above for all sites but with an addition of 6 weeks for multi-agency appointments / discussions and to finalise and distribute reports**

iii) Number of individuals on the wait list as of 31 December 2023 (or nearest available date)

- **ASD Doncaster Over 5's - 332**
- **ASD Doncaster Under 5's - 254**
- **ASD Bassetlaw - 173**
- **ADHD Bassetlaw - 119**

iv) average wait-time from first appointment to decision on diagnosis/discharge from diagnostic service

- **For all sites but with an addition of 6 weeks for multi-agency appointments / discussions and to finalise and distribute reports**
