When was this established? Please detail for each one **September 2019**

How long is this in place for? Please detail for each one **The SLA between the two organisations for the original purpose runs for 7 years, but the company is providing more services than just that.**

Is there a website for this organisation? **No**

Is it a renewable arrangement and if so, what extension terms are agreed **See above**

What services are provided by this contract/LLP/subsidiary? **Initially it was outpatient pharmacy dispensary services at our largest acute site, although now they are starting to perform more services to the parent Trust and other organisations**

If there an agreed profit return back to the NHS? **No**

As an NHS Trust, do you provide services back to the LLP? If so, what are these? **A number of "back office" functions are performed by the Trust and recharged back to the subsidiary.**
