Re: Your request made under the Freedom of Information Act 2000

I am writing to request information under the Freedom of Information Act regarding the maintenance systems and associated software used within your medical / hospital facility.

Specifically, I would like to request the following information:

- The name(s) of the software used for maintenance management systems (Typically known as CMMS, EAM, Asset Management, Facilities Management) within the hospital/medical facility. – **Planet.**
- The number of users licensed to use the maintenance management system software. **29 Main System and 60 Mobile.**
- The annual cost associated with the maintenance management system software. **Commercially sensitive.**
- The individual or department responsible for managing and overseeing the maintenance management system software.- **Estates**
- The expiration date of the current contract(s) for the maintenance management system software. **April 2025**

Additionally, I would also like to request information regarding the following:

- The software used to manage the allocation of medical equipment within the hospital/medical facility. – **Planet.**
- The software used for maintaining medical vehicles owned by the hospital/medical facility.
- The software used for registering accidents or damages within all medical equipment or assets owned by the hospital/medical facility. – **Datix.**
- How failures of equipment, machinery, vehicles, and medical supplies are logged within the hospital/medical facility. – **On Planet.**
- Name of software used to ensure equipment, machinery and any other items are fit for use for example periodic testing and calibration. – **Planet.**
