February 2024

## Re: Your request made under the Freedom of Information Act 2000

I would be most grateful if you would provide me, under the Freedom of Information Act, details regarding the Trusts outsourced teleradiology reporting:

details regarding the Trusts outsourced teleradiology reporting.				
Please confirm the below information	Provider 1	Provider 2	Provider 3	Provider 4
for each contract you hold with a				
teleradiology reporting provider:				
Name	Everlight			
Contract start date	August 2019			
Contract end date	July 2024			
Option for extension/roll-over period	Yes			
Procurement route/framework used	NOE CPC			
Exclusivity or volume commitment within contract	Exclusivity			
When did you last benchmark the contract against other options available?	Jan 2024			
Do you expect to replace or renew the contract in 2024?	Replace			

Please provide the below information	Provider 1	Provider 2	Provider 3	Provider 4
for each teleradiology provider				
above:				
Number of CT/MRI examinations	14,073			
reported between				
1st September 2023 and 31st December				
2023 inclusive that require a 1-hour				
turnaround time or quicker				
(Emergency reporting)				
Please confirm the daily start and end	7.30 pm – 8			
time of your external Emergency	am			
reporting provision?				
Number of CT/MRI examinations				
reported between 1st September 2023				
and 31st December 2023 inclusive that				
require a turnaround time of between				
1 and 12 hours (Urgent reporting)				
Number of CT/MRI examinations				
reported between 1st September 2023				
and 31st December 2023 inclusive that				
require a turnaround time of 24				
hours (Urgent reporting)				
Number of CT and MRI examinations				
reported between 1st September 2023				

and 31st December 2023 that			
require reporting in over 24			
hours turnaround time (General			
reporting)			
Number of X-Ray examinations	143		
reported between 1st September 2023			
and 31st December 2023 that			
require reporting in over 24 hours			
turnaround time (General reporting)			

Please provide the below information for each teleradiology provider above:  Total financial expenditure for CT/MRI examinations reported between 1" September 2023 and 31" December 2023 inclusive that require a 1-hour turnaround time or quicker (Emergency reporting)  Total financial expenditure for CT/MRI examinations reported between 1" September 2023 and 31" December 2023 inclusive that require a turnaround time of 24 hours (Urgent reporting)  Total financial expenditure for CT and MRI examinations reported between 1" September 2023 and 31" December 2023 inclusive that require a turnaround time of 24 hours (Urgent reporting)  Total financial expenditure for CT and MRI examinations reported between 1" September 2023 and 31" December 2023 inclusive that require a 48 hour turnaround time or longer (General reporting)  Total financial expenditure for CT and MRI examinations reported between 1" September 2023 and 31" December 2023 inclusive that require a 48-hour turnaround time or longer (General reporting)  If you do not use a teleradiology provider for your Emergency reporting:  If Emergency reporting (up to 1-hour) is not outsourced, then please confirm the number of examinations reported locally between 1" September 2023 and 31" December 2023 and 31" Dec					
teleradiology provider above:  Total financial expenditure for CT/MRI examinations reported between 1* September 2023 and 31* December 2023 inclusive that require a 1-hour turnaround time or quicker (Emergency reporting)  Total financial expenditure for CT/MRI examinations reported between 1* September 2023 and 31* December 2023 inclusive that require a turnaround time of between 1 and 12 hours (Urgent reporting)  Total financial expenditure for CT/MRI examinations reported between 1* September 2023 and 31* December 2023 inclusive that require a turnaround time of 24 hours (Urgent reporting)  Total financial expenditure for CT and MRI examinations reported between 1* September 2023 and 31* December 2023 and 31* December 2023 and 31* December 2023 inclusive that require a 48 hour turnaround time or longer (General reporting)  Total financial expenditure for CT and MRI examinations reported between 1* September 2023 and 31* December 2023 inclusive that require a 48 hour turnaround time or longer (General reporting)  Total financial expenditure for CT and and a september 2023 inclusive that require a 48-hour turnaround time or longer (General reporting)  If you do not use a teleradiology provider for your Emergency reporting (up to 1-hour) is not outsourced, then please confirm the number of examinations reported	Please provide the below information	Provider 1	Provider 2	Provider 3	Provider 4
