

Do you have a minor injury?

Doncaster and Bassetlaw
Teaching Hospitals
NHS Foundation Trust

Using other services instead of A&E can often help you get the advice and/or treatment you need quicker.

For treatment of:

- Sprains, strains and some broken bones
- Wound infections
- Minor burns and scalds
- Insect and animal bites
- Minor eye injuries (foreign bodies only)

If you are in doubt or unsure where to go for an illness or medical concern, call **NHS 111** or visit **www.111.nhs.uk** first.

Open 9am to 9pm, 7 days a week, closed Christmas Day (Last booking at 8pm)

If it's a life-threatening or serious injury, call **999**.

The unit only provides care for patients over the age of one

No appointment needed

Adwick Road, Mexborough, S64 0AZ
