

## Freedom of Information Act Request

Dear Doncaster and Bassetlaw Teaching Hospitals NHS Foundation Trust,  
We would like some information on the top 3 cancers which are most prevalent to the public in Doncaster and for each area in Doncaster in the last 10 years.

Thank you for your Freedom of Information (FOI) request ref 574/2024. After careful consideration, we regret to inform you that we do not hold the information you have requested.

Specifically, the information you requested regarding the top 3 cancers which are most prevalent to the public in Doncaster and for each area in Doncaster in the last 10 years. This is not available within our records. This is not something we can complete as an acute Trust. We don't see all Doncaster patients, and as cancer services we don't record are not sighted on the location of the patient as 2WW-USC referrals go central and to the Divisions, this is a question for Public Health or Cancer Alliance

<https://www.doncaster.gov.uk/services/health-wellbeing/public-health>

Under the Freedom of Information Act 2000, we are only required to provide information that we hold at the time of the request. Unfortunately, we do not possess the information you are seeking.

If you are not satisfied with the handling of your request, you have the right to request an internal review. Requests for an internal review should be submitted within 40 working days from the date of this response, and should be addressed to d.wraith@nhs.net.

If you remain dissatisfied after the internal review, you have the right to appeal to the Information Commissioner's Office (ICO). The ICO can be contacted at:

Information Commissioner's Office  
Wycliffe House  
Water Lane  
Wilmslow  
Cheshire  
SK9 5AF  
Tel: 0303 123 1113
