

Freedom of Information Act Request

I am writing under the Freedom of Information Act 2000 to request the following information held by the Doncaster and Bassetlaw Teaching Hospitals NHS Foundation Trust :

1. What is the current reported virtual wards beds capacity? **60 beds at Doncaster 20 at Bassetlaw**
2. Out of this capacity, what number/percentage are enabled for remote patient monitoring? – **we do not currently provide remote monitoring**
3. What is the current utilisation percentage specifically for the virtual ward beds that are enabled for remote patient monitoring (rather the overall utilisation including used for face-to-face consultations)? – **we do not currently use remote monitoring**
4. Does the utilisation of the remote patient monitoring-enabled virtual ward beds fluctuate over time? If so, could you provide an average percentage or a breakdown of utilisation across different time periods? – **we do not currently use remote monitoring**
5. If you are unable to provide the utilisation percentage(s), could you explain the process used to capture and measure the utilisation of the remote patient monitoring-enabled virtual beds? – **we do not currently use remote monitoring**
