Freedom of Information Act Request

Dear Doncaster and Bassetlaw Teaching Hospitals NHS Foundation Trust,

Under the Freedom of Information Act, I would like to request the contact information for your Learning and Development department or the appropriate person overseeing staff training and development.

All available names and contacts within the Trust can be found on our Staff Structure chart attached and through the link below
<https://www.dbth.nhs.uk/structure-charts/>

Additionally, I am interested in any information on programmes or initiatives related to sustainability training and development.

Sustainability Training for Trust employees is currently available via the NHS Electronic Staff Records (ESR) system in the form of an e-learning training package called "Building a Net Zero NHS", which is was created by the e-learning for healthcare platform. This training is currently non-mandatory, but is available for all Trust employees.
