

Freedom of Information Act Request

I would like to submit a Freedom of Information request under the Freedom of Information Act 2000. Please could you provide the following information:

I am writing to request confirmation of the name and role of the individual currently serving as the Senior Responsible Officer (SRO) for the Electronic Patient Record (EPR) Programme and the SROs more generally for the Trust's Digital Transformation Initiatives at Doncaster and Bassetlaw Teaching Hospitals NHS Foundation Trust.

This information would be helpful in understanding the leadership structure associated with the Trust's digital transformation initiatives and to ensure appropriate points of contact are identified for future communications.

If this information is not readily available through public documents, I would be grateful if it could be provided under the provisions of the Freedom of Information Act 2000, if appropriate.

Thank you for your request under the Freedom of Information Act regarding the Senior Responsible Officer (SRO) for the Electronic Patient Record (EPR) Programme and other Digital Transformation Initiatives at Doncaster and Bassetlaw Teaching Hospitals NHS Foundation Trust.

We can confirm that the current Senior Responsible Officer (SRO) for the EPR Programme is Dan Howard. He is also the lead for the Trust's Digital Transformation Initiatives. I have also attached a copy of our Trust Structure Chart where you can see available names and contacts within the Trust.

If you are not satisfied with the handling of your request, you have the right to request an internal review. Requests for an internal review should be submitted within 40 working days from the date of this response, and should be addressed to d.wraith@nhs.net.
