Freedom of Information Act Request

Under the Freedom of Information Act, I would like to request the following information:

Under the Freedom of Information Act 2000, I request information about medical call-outs or hospital admissions related to football matches at Premier League stadiums in your area.

Time Period: 2023/24 season and any available data from the 2024/25 season

Stadium-Specific: If possible

1. Number of ambulance call-outs or medical assistance requests from stadiums on matchdays.
2. Number of hospital admissions linked to injuries or incidents at the stadium (if available).
3. If possible, please indicate:
 - The type of incident (e.g., collapse, injury, intoxication)

A breakdown by stadium and match date would be appreciated.

We can confirm that Doncaster and Bassetlaw Teaching Hospitals NHS Foundation Trust does not hold the information requested. This is because there are no Premier League stadiums located within our geographical service area.

If you are not satisfied with the handling of your request, you have the right to request an internal review. Requests for an internal review should be submitted within 40 working days from the date of this response, and should be addressed to d.wraith@nhs.net.

If you remain dissatisfied after the internal review, you have the right to appeal to the Information Commissioner's Office (ICO). The ICO can be contacted at:
